

STATE OF SOUTH DAKOTA SEX OFFENDER DUTY TO REGISTER

The sex offender registration laws in SDCL 22-24B-1 through 22-24B-32 apply to any person who has been convicted (either upon a verdict or a plea of guilty or plea of nolo contendere), or who has received a suspended imposition of sentence that has not been discharged pursuant to SDCL (23A-27-14), of a sex crime or attempted sex crime, as defined by SDCL 22-24B-15 (as amended). A foreign criminal conviction which requires registration as a sex offender pursuant to the laws of the state where the conviction took place also requires registration in South Dakota **within 5 days** of arrival into this state. The laws also apply to any juvenile fifteen years of age or older adjudicated of a sex crime of Sexual Contact with a person incapable of consenting as set forth in SDCL 22-22-7.2; SDCL 22-24B-1(1) Rape as set forth in SDCL 22-22-1 or SDCL 22-24B-1(9) promotion of prostitution of a minor as set forth in SDCL 22-23-2 (2). Juveniles with out of state or federal offenses comparable to these crimes must register. If a crime is committed in another state in which the juvenile has been adjudicated to register as a sex offender in that state, they must also register in South Dakota. Registration requires submission of certain information, including the offender's fingerprints, photograph, signature, DNA and other information.

An offender must register **within 5 days** of coming into any county to reside, temporarily domicile, attend school, attend post-secondary education classes or work. Any offender registering in this state who is employed, carries on a vocation, or attends post secondary classes at an institution of higher education, institution of higher learning or technical institute in this state shall, **within 5 days** of any commencement or termination of such enrollment or employment, report to the registering agency where the institution is located and complete a Registration Update form. The registering agency is the Chief of Police of the municipality where the offender resides, domiciles, attends school, attends post-secondary education classes or works; or, if no Chief of Police exists, then it is the county Sheriff. Any offender registered in South Dakota who plans to enter another state to work, carry on a vocation or attend school must comply with that state's registration requirements as well.

Any **change of residence address** requires the offender to submit, **within 5 days** of the move, a Registration Update form to the law enforcement agency where the offender last registered. An offender registered in South Dakota who moves to another state must notify the registering agency in South Dakota where the offender last registered and provide information of their new address. The offender must also comply with any registration requirements in the new state of residency.

Offenders must register every (6) six months. They are first required to register on their birth month and then required to register **six (6) months** after their birth month. Each offender registered in South Dakota must go to the South Dakota law enforcement agency where the offender last registered. The offender will be sent once a year a non-forwardable verification form to their last known address. The offender is required to return the verification form to the Division of Criminal Investigation within 10 days. Failure to comply is a Class 6 Felony.

Those required to register as sex offenders may NOT establish a residence or reside within a "community safety zone". The community safety zone is **500 feet** from the facilities and grounds of any school, public park, public playground, or public pool.

A violation of the registration laws is a Cls 6 Felony. Any subsequent violation is a Cls 5 Felony.
